

**ABOUT THE BUSHWICK BROWNFIELD OPPORTUNITY AREA PROJECT (BOA)**

Led by the Family Services Network of New York (FSNNY), the Bushwick Brownfield Opportunity Area (BOA) project is part of the BOA program funded by the New York State Department of State. A BOA aims to create strategic plans that will lead to the revitalization of communities affected by brownfield sites. With the Bushwick BOA, FSN builds upon the all the input contributed by hundreds of Bushwick

residents in the Bushwick Community Plan (BCP) to craft implementable visions for the strategic sites in the neighborhood. It focuses on affordable housing, public health, and economic and workforce development.

*This survey was prepared for the New York State Department of State with funds provided under the Brownfield Opportunity Areas Program.*
